# Namaqua Coast & Berg Safari 2025

There are few things in this beautiful country of ours that is as breathtakingly beautiful as experiencing the sullen silences, picturesque beauty and isolation that the Northern Parts of Namaqualand can offer, and that's why we LOVE this area! especially off the beaten track.

And that's where we come in, join us in experiencing the behind the scenes Namaqualand.

# What's in store...

Here's just a few things to look forward to on our 6 Night / 7 Day Namaqua Coast and Berg Safari:

- Comfortable and unique Accommodation, we do not rush from destination to destination, we base ourselves at the same Guest farm for 6 Nights.
- Unspoilt and isolated coastal regions and the spectacular Namaqua Shipwreck Trail
- Amazing and Authentic Namaqua Cuisine as only our Chef Par Excellence, Jackie can do!
- Expert Guidance: I will personally guide you through this epic journey in a fully equipped guide 4x4, ensuring a safe and unforgettable experience.
- Seamless Communication: Stay connected and informed with 2-way radio communication in all vehicles, enhancing the group dynamics and safety throughout our journey.

# Itinerary

On our 6 Night / 7 Day Adventure we do not have any fixed itinerary what so ever, why?

Because the weather and cold Benguela sea current does not adhere to our schedules!

Every day we will evaluate weather conditions and make a decision on where the best

area would be to visit for the day, which will include the Namaqua Shipwreck trail,

Kommaggas Mountains, exciting yet safe sand driving experience, incredible sundowners

on isolated beaches and so much more!

# Safari Highlights:

Zonnekwa's mysterious Camel Thortree Forest.
